Mr Orr

I love science because I like learning about how everything around us works and why the world is the way it is.

HOW TO CONTACT ME

jorr@bishopbriggs.e-d

unbarton.sch.uk

You will find me in room 5048

What you will be learning about in \$1...

In S1 you will learn about all three of the separate sciences:

Biology, Chemistry and Physics. You will learn about chemicals, space, cells, acids, light and sound and reproduction.

About me...

I'm Mr Orr, I was born in England but have lived in Glasgow since I was 18. I am a Chemistry teacher and so may teach you in Science in S1. I enjoy walking my dog, seeing my friends (when I am allowed to!) and have an interest in spy novels, technology and sport.

☆

I love being a History and
Modern Studies teacher! I believe it is so
important for young people to learn about
people and events in the past and how they
have helped shaped our present. I also enjoy
watching young people becoming so engaged
whilst learning about what is currently going
on in the world around them!

HOW TO CONTACT ME

My email address is: ed027ldawson@glow.sch.uk

You will find me: in room F047 (first floor)

Twitter:

@MrsDawson_BA

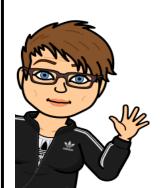

What you will be learning about in S1...

In S1 History we will learn about the fascinating development of Medicine Through Time, from the Ancient Egyptians, medicine in Medieval Europe to Modern medical discoveries!

In S1 Modern Studies we will look at the ways in which we can influence and the ways in which we are influenced in modern society, focusing on the media, pressure groups and ways we can participate. We then learn about Human Rights across the world!

About me...

My favourite thing to do is go on holiday, I absolutely love being in the sun! My favourite beach destination is Mexico and my favourite city break is New York. I also enjoy keeping fit and active, reading, going out for dinner (my favourite food is Italian) and watching TV shows and films. One of my favourite TV series is Friends (my photo was taken at FriendsFest when the set was in Glasgow!). Unfortunately I might not get to meet you all in person until this time next year as baby Dawson is due in September! I hope you have a fantastic first year in Bishopbriggs Academy and I look forward to meeting you in the near future!

What you will be learning about in S1...

In S1 Science you are really lucky to learn a mixture of Biology, Chemistry and Physics.

- In Biology we use microscopes to look at our cells and learn about our bodies.
- In Chemistry we use Bunsen burners and chemicals to observe different reactions.
- In Physics we learn about electricity and energy, we may use electricity to make your hair stand on end!

We run Science club every week at lunch

About me...

- I love making my classroom pretty and my favourite colour is Pink.
- I love animals! My favourite animals are Cats I have two pet cats at home.

- I enjoy keeping fit by going to the gym or working out at home.
- I love going out for dinner and love trying new places to eat.

Room/Lab: 5053

Follow me on Twitter: @BishySTEAM

What you will be learning about in S1...

In S1 you will study 2 biology, 2 chemistry and 2 physics (the best) topics. The physics topics are Energy and Electricity... yes, we do use the Van de Graaff generator!

There are plenty of fun experiments, trips and workshops that you should get involved in!

About me...

I love exploring the world around me; travelling or adventuring in Glasgow with my camera.

Other things that bring me joy are: a good nail colour, films, shopping, having fun with my family and friends AND... a much anticipated flat white coffee on a Friday with friends in school!

Enhanced Learning Resource (ELR)

We are lucky in the ELR as we support all the different subjects and we get to know pupils really well.

HOW TO CONTACT ME

Insert your contact details here:

mstevenson@bishopbrig q.e-dunbarton.sch.uk

room number

G104

What you will be learning about in S1...

In the Enhanced Learning Resource we support pupils with their different curricular areas to help them progress in all aspects of their learning.

Pupils may need to use the Resource to get additional help with class or homework while some pupils have ELR time on their timetables each day.

About me...

I have been at Bishopbriggs Academy for nearly 6 years and the nicest part of each school year is getting to know all the new pupils.

I love walking on the beach, being in the sun, eating seafood and pasta and often wonder why I wasn't born in Italy.

I dislike mornings, the rain and exercise!

My favourite thing about the subjects I teach is watching young people become inspired and motivated by iconic figures from the past and present!

HOW TO CONTACT ME

My email address is, ed027jmcgee1@glow.sc h.uk

My room is F056 on the first floor.

My twitter handle is @MissJMcGee

What you will be learning about in S1...

In S1 History we will be taking you on a journey through the ages looking at major developments and discoveries in medicine!
On this journey we will travel back in time to Ancient Egypt, Ancient Greece,
Medieval Europe and Modern Europe. It's a fascinating topic and I'm sure you'll love it as much as I do.

About me...My favourite thing to do is go on holiday and my number one destination is definitely Florida! I love being outdoors, especially when the sun is shining, and going for long walks with my dogs. Keeping fit is a hobby I enjoy and during lockdown I have managed to do 50 PE with Joe Wicks classes - I think keeping fit is great for both physical and mental health! I can usually be found planning social subjects' trips to far off places like New York and Washington DC! Reading is another of my favourite hobbies - I am always looking out for great book recommendations!

What you will be learning about in S1...

- 1. Cells and Microbes you will learn all about the different types of cells and microorganisms.
- 2. Acids and Alkalis you will learn important facts about acids and alkalis and how we use them.
- Energy you will learn about the types of energy and how we can generate electricity.

About me...

Outside of school, I am a mum to twin boys called Ross and Euan and so my hobbies include spending time with my family and friends. I love to walk and sometimes run, but very slowly \mathfrak{C} . I also love to watch my favourite TV shows.

What you will be learning about in S1...

In the Enhanced Learning Resource we deliver lots of different subjects through fun and interesting lessons. The resource is there to support you with your learning in the ELR or in your classes. Some pupils may just pop in and out for some help with homework or class work when required. Other pupils will have ELR time on their timetable and may stay and complete some lessons within the resource with the ELR teachers.

About me...

I enjoy spending time with my family, watching movies and going for walks. My favourite food is ice cream, ice cream and more ice cream. I can easily eat a whole tub of Ben and Jerry's during one film.

I am looking forward to meeting you soon.

About me...

I've been teaching for a looong time but I still enjoy seeing new S1 come into my department in the new term and I love the enthusiasm they bring. I have a young family so most of my free time is spent playing with them and having fun but I also enjoy watching TV, mostly documentaries and lifestyle programmes as well as listening to podcasts. When I get the time I like to read books by writers like Stephen King and Dean Koontz as well as doing some diy around my house. I'm looking forward to meeting you when we eventually return to school. Take care!

What you will be learning about in S1...

In S1 we will look at lots of different topics and areas of maths. We will build on what you've learned in Primary School. We want you to enjoy and be confident when tackling your work.

About me...

Hello new S1, I'm Mrs Hamilton. I love sunshine but also snow. I enjoy spending time with my family and friends. I am a big fan of Harry Potter but until a job opens up for me at Hogwarts I'll be teaching maths to the young people of Bishopbriggs. I enjoy watching pretty much every live sport except rugby, I've tried and I just don't get it. I look forward to meeting and getting to know you all.

Mrs Greig

Room:

5002 (2nd floor)

In S1 pupils will be developing new skills within many different branches of mathematics. We will solve problems by expanding our understanding of number, geometry, algebra and data analysis. We also use a range of technology in class and at home. Pupils are encouraged to investigate, discuss and apply their knowledge throughout the year.

I am Principal Teacher of a large Mathematics Department so I enjoy hobbies which help me to relax and to keep fit. You may notice me out running or walking in Bishopbriggs. I love to read books, solve crossword puzzles and to draw. I also have a rescue dog called Holly and we love exercising together.

I love teaching music because I enjoy seeing pupils learn instruments for the first time.

Music is a great subject because by the end of S1 you will have acquired the skills to not only read music but to perform song across a range instruments.

HOW TO CONTACT ME

gpollock@bishopbriggs.e-dunbarton.sch.uk

Room number (floor)

Ground Floor - G087

What you will be learning about in S1...

You will learn how to read music and play instruments. These instruments include: Guitar, Drum kit, Ukulele and Keyboard.

You will also learn about different music styles and use your creative skills to compose your own music.

About me...

Outside of school I enjoy playing the guitar and singing which I do regularly with my band. I am also very keen on sports and play football, tennis and badminton.

English is all about communication - it helps you to express yourself and understand who you are in the context of the world around you. It provides you with the chance to be creative and use your own imagination to travel through fictional worlds and even create them for yourself!

HOW TO CONTACT ME

Email address

Cogilvie@bishopbriggs.edunbarton.sch.uk

Room number F017

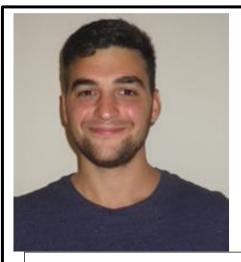

(First floor - next to the library)

What you will be learning about in S1...

In S1 English we look at so many different forms of reading, writing, talking and listening. We will read a class novel, short stories, newspaper articles, poetry and even study a film. We have the chance to write short stories, poetry, personal pieces and reports. There will be plenty of class discussion, debate and even small presentations. Every lesson also includes a chance to read your own book - whatever it is you have an interest in!

About me...

As an English teacher, of course I love to read as much as I can. When I am not reading I enjoy rugby (go Warriors!), swimming and running. I love classic films and getting out to the theatre. I have two young children so to be honest most of my time is taken up with them. When I can manage it, I love to sleep!

ATHLETICS

About me...

I have been teaching at Bishopbriggs Academy for 3 years and what a fantastic school it is to be a part of. I run both the Trampolining and Basketball clubs on a weekly basis – which I hope many of you can make it along to. I enjoy spending time with my friends and family whilst meeting new people along the way. I have great passion for football both playing and watching. Additionally, I love to see different parts of world with my most favourite place I've been to being Bali in Indonesia. My greatest satisfaction in life is seeing people laughing and having plenty of fun.

☆

I love my subject because I believe that EVERYONE should be bilingual and Gaelic offers so many opportunities and opens so many doors to youngsters in Scotland nowadays

HOW TO CONTACT ME

In S1 we will continue to develop our Gaelic by using a variety of resources and texts, including, but not limited to (!), short stories, poems, novels, TV programmes and more. We will also get a chance to write, shoot and edit our own Gaelic film!

Being a language, it is obviously also important to practice using it!

Therefore we will spend lots of time chatting, debating and being creative with ways in which to use it!

About me...

I love hiking and travelling to far-flung places. Kenya, Tanzania and Japan are by far the coolest places I've visited so far.

I am also obsessed with my dogs (and dogs in general!). I have one massive Akita (who weighs 70kg!) and a German Shepherd - asking about my dogs is a sure-fire way to distract me from any grammar lesson!

Twitter:

@mrlaver

What you will be learning about in S1...

In S1 History you will find out about the history of medicine from ancient times up until the modern day. You will develop skills to help you evaluate evidence to ensure it is reliable and useful information.

In S1 Modern Studies you will examine how we find out about the world we live in, through the news, internet & social media.

You will also look at human rights and children's lives around the world.

About me...

I am a comic book geek, I love DC comics, especially Bat-Man. I like playing a super hero themed miniatures game called Heroclix and when possible, I will be running a Friday lunch time club playing this game. I also really like sci-fi and my favourite character in any movie is Chewbacca. I also like electronic music having previously DJ'd and producing tracks. I like using technology creatively to make animations and videos.

I love teaching all of the Social Subjects because I get to hear pupils' thoughts on how the world has come to be the way it is today, what issues matter to people today and which natural and human-made features are shaping our world.

HOW TO CONTACT ME

Mr Hepburn

Ed027dhepburn@glow.sch.uk

F052 or F054 (1st Floor)

In the Social Subjects in S1 you'll get to study a range of interesting topics including; the History of Medicine, Media and Influence, Mapping Skills and Physical & Human Geography.

You'll do creative activities working with your classmates and projects where you can investigate a topic thoroughly by yourself.

About me...

I enjoy finding out what young people think about the world they live in and I value those opinions highly, especially on issues like the environment which are so important to future generations. In my spare time I love to swim, preferably in the beautiful Scottish lochs. I enjoy walking with my dog and I am an active campaigner for animal rights.

What you will be learning about in S1...

Exploring your big questions (examples: What makes you you? Why does anything exist? What is the meaning of life?)

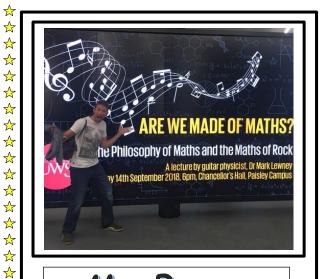

Festivals (Remembrance, Diwali, Thanksgiving, Hanukkah, Christmas)

Symbols (The Swastika, The Veil, The Well of Zamzam, The Lotus Flower, The 5 Ks)

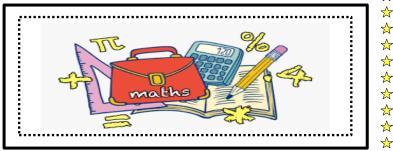

Great Leaders Investigation Project

About me...

I used to work in advertising before I went into teaching. My job title was Marketing, Advertising and Promotions Coordinator. I love Star Trek (the original series) and The Simpsons. I enjoy reading, bicycling, movies, listening to great music, and playing 5-a-side. I run the debating club at school and will probably try to recruit you. I like to think I am quite good at speed stacking (3-6-3), have a slight fidget spinner addiction, and can juggle on command.

Maths isn't all about knowing your tables (although it does really help!)

Some of the things you'll see in S1 Maths: NUMBERS LESS THAN ZERO MYSTERY NUMBERS (Algebra) **MEASURING SHAPES & OBJECTS** DATA GATHERING/DISPLAY PROBABILITY ('What are the chances?!") **SYMMETRY**

You will use computers and calculators, do 'Treasure Hunts' and solve lots of problems!

About me...

I love playing games, I love playing sport (when my knees aren't hurting!) and I love Liverpool. 🚱 Oh, and I also love Maths!!! 🔢 🤮

I'm not from Scotland, but I'll let you guess where I'm from when you hear my accent! 🤒

Reading opens doors to new worlds. It improves your spelling, grammar, knowledge, understanding and imagination and can greatly help your mental health too!

HOW TO CONTACT ME

kmthomas@bishopbriggs. e-dunbarton.sch.uk

F018 (the Library is on the first floor)

I run the school Twitter account

@BishopbriggsAC

Any questions about school? Tweet and I will try to answer them!

What you will be learning about in S1...

What the library has to offer and how it is organised. You will also learn about Banned Books, fake news and using non-fiction books and the Internet for information. We also hope to have author visits, a book fair and time to read as well as celebrating events such as Scottish Book Week, National Poetry Day and World Book Day.

You can also visit the library in your own time to borrow books, do homework and study, meet friends and use PCs.

About me...

I have been a school librarian for a very long time - 35 years! In fact I first knew some of your teachers (and parents) as pupils! I love reading - obviously - and try to read as many new books as possible. I also love travelling. My favourite trip was to Borneo to see orangutans in the wild and I try to visit Greece or Cyprus each year as well. I also enjoy gardening, history and researching my family tree. Come along to the Library and say hello!

We also use a range of technology in class and at home. You will be investigating, discussing and applying your knowledge throughout the year so that you feel confident working with numbers.

About me...

Hi new S1! My name is Miss Robertson and this will be my 6th year teaching at Bishopbriggs Academy. My favourite colour is pink, but I'm sure you will be able to work that out by yourself when you see my classroom. I love all animals (apart from spiders...) and enjoy travelling around the world and seeing new places. I love baking cakes to share with my friends and family and would like to think if I wasn't a teacher I would be on the Great British Bake Off (even though I'm not actually that good!).

- Relative Poverty
- Charities
- Entrepreneurs
- Business Ethics
- Spreadsheets

About me...

I am the Principal Teacher of Business and Computing. I am a business teacher, as well as an entrepreneur. I own a property investment business! I want to show you what the world of business is all about, as well as equip you with the skills you need to survive and thrive as a young adult. As well as this, I love to entertain the pupils who visit my room with a song and a dance. I am a very energetic teacher and aim to provide every young person with a fun learning experience in Business Ed. I am super excited to meet you!

What you will be learning about in S1...

PSE: We will be learning about many issues that are important such as: careers, friendships, bullying, homophobia, internet safety, study skills and more.

History: We will spend 12 weeks learning about Medicine through time and cover periods such as Ancient Egypt all the way through to Modern Medicine!

About me...

When I'm not in work I always seem to be busy. One of my favourite things to do is to go out for dinner (especially to Nandos). I have a 2-year-old niece called Evie who I enjoy spending a lot of time with. I enjoy watching sports, especially Tennis and Football. I was at the Wimbledon men's semi final last year and it was the best experience ever (that's where my photo was taken). I am hoping to get tickets again for next year when life goes back to normal!

Miss Little - Maths Help Videos

What you will be learning about in S1...

In S1 we will be developing new skills within many different branches of maths. We will solve problems by exploring number, geometry, algebra and data analysis.

We also use a range of technology in class and at home. You will be investigating, discussing and applying your knowledge throughout the year.

About me...

I love to travel and see new places! During my free time, I like to hang out with my besties and have sleepovers watching films!

I love that my subject applies to all careers; you need confidence, resilience and cooperation skills for every job and Drama can help you to build them!

HOW TO CONTACT ME

Email address:

njones@bishopbriggs.edunbarton.sch.uk

We use a few different rooms for Drama but you can find me in and around the department which is on the ground floor.

What you will be learning about in S1...

<u>Unit 1: Movement Skills</u> - you will learn the basics of performance in drama and all about changing your body to show a character.

<u>Unit 2: Voice Skills</u> - in this unit you will focus on developing your voice work so that you can change your voice to suit a character or a situation.

<u>Unit 3 Improvisation Skills</u> - you will get to create dramas and put your voice and movement skills to the test!

About me...

I teach all the way up to and including Higher level and also take part in the Drama Club and School Show preparation which is lots of fun and will give you a chance to build your confidence. I loved Drama so much at school, that I decided to study it at university. It gave me an outlet to express myself and explore the world around me. Not only did I get to focus on acting but I really enjoyed theatre arts also. I enjoy baking, though I am not that good at it, singing at just about ever given opportunity, and wandering about the school with my slippers and lovely cuppa in some form of unicorn mug.

I am excited to see what you all bring to the department and cannot wait to meet you

I will usually be in my room F054 or The Hub

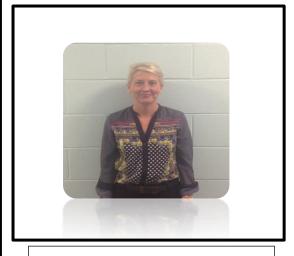

Twitter: @miss_hendrie

What you will be learning about in S1...

- Modern Studies- we look at Human Rights around the world and those who do not always have their rights respected! We also look at how we can influence change.
- History- we look at medicine through time and go all the way back to Ancient Egypt and Ancient Greece to see how medicine has changed.

About me...

When I'm not teaching/in school I love spending time with family and friends. I absolutely love the zoo (any conservation zoo) and if I could, I would spend every weekend there! I was meant to be getting married over the Summer Holidays but with current circumstances I am now spending most of my time planning and hoping for a Christmas wedding!

Subjects: Business Education

Business Management, Administration,

Accounting

I love my subject because it is current and real life!
Businesses are very important in society, to give
people jobs. We can relate to what we learn in all
Business subjects. It is fun and changes all the
time so keeps me interested!

HOW TO CONTACT ME

My office in the SMT corridor

Room S025 in the Business Corridor

In Business in S1 you will learn all about:

Entrepreneurs e.g. Alan Sugar,
 Zhang Yiming, Sergey Brin, Larry
 Page

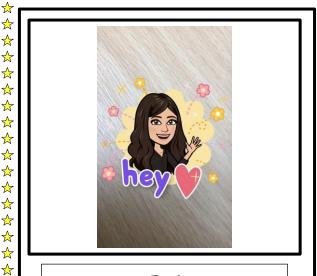

- Multi-national companies e.g.
 Coca-Cola
- Business Ethics
- Marketing and Advertising

I have worked in Bishopbriggs Academy now for 8 years - and I love the school, the staff and the pupils!

My interests are keeping fit by doing Joe Wicks and running. I also enjoy spending time with my family and watching films. I love dancing, and I used to attend ballet and modern dancing classes when I was younger. I took part in Bishopbriggs Academy Strictly Come Dancing show a few years ago – it was hard work but really exciting! I have tried a few tick tocks during lockdown (not very successfully) but it was good fun!

What you will be learning about in \$1...

If you come to the wellbeing base we will explore lots of different things that will help you feel happy, safe and confident in Bishopbriggs Academy!

In S3 you can pick Psychology, where we look at things like sleep and dreams!

About me...

I love to spend time with my family and friends, they really do mean the world to me. I have a baby Nephew called Max who I love very much! I recently bought my first home and I am really enjoying decorating it and putting my stamp on it! I can see tiny little ducklings from my windows at the moment as we live by a river - they are so cute! I also love to go on holidays and bake, my favourite thing to bake at the moment are cookies! YUM! I can't wait to meet you all soon! \odot

I teach Physical Education, but I am also a Depute Head Teacher.

What you will be learning about in \$1...

Pupils will participate in a wide range of activities. These include individual and team, directly and indirectly competitive, and subjective and objective scoring activities. Pupils will complete 6 week blocks in sports such as Gymnastics, Trampolining, Badminton, Table Tennis, Netball, Football, Hockey, Rugby, Basketball, Fitness, Volleyball and Social Dancing.

About me...

I was born in Northern Ireland and moved to Scotland when I was 18 to attend University and become a teacher of PE. My biggest passion is playing sport and despite being old and grey I still play Football from time to time. I love working at Bishopbriggs Academy and help out with the school Football Teams. My advice to any new S1 joining the school is to get involved in one of the many extracurricular clubs available. I joined the University Football Team when I first moved to Scotland and it helped me make new friends and settle in.

What you will be learning about in S1...

PE at Bishopbriggs is great fun!

In S1 you will experience lots of different activities (fitness, gymnastics, trampolining, football, basketball, rugby, badminton, hockey, cycling, athletics, & summer games).

Within our lessons you will develop aspects of fitness like speed and strength as well as other skills like teamwork and communication.

The facilities we have at Bishopbriggs are excellent too! We have 3 gym halls, a 3G football pitch, a hockey pitch and tennis courts.

About me...

I love keeping fit and active, as well as playing team sports. In my spare time I am usually playing football, volleyball, running/ cycling or going to the gym to make sure I stay fitter and stronger than MR Irvine and Mr McCue...that's EASY right enough!!!

You will usually find our PE staff in the PE department/ base, make sure to come and say hello! We are looking forward to meeting and working with you all! See you soon and stay safe ©

I love languages because they really do open doors for you!

They make you different and stand out from the crowd! I also love that we teach you so much more than just new words- you'll learn communication skills and cultural understanding. Learning about how life is different in other countries is exciting and there is always something new to discover.

What you will be learning about in S1...

In S1 French or German you will learn how to introduce yourself and to talk about topics such as your family, your school and what you like to do in your free time.

I love to travel - but I rarely go back to the same place a second time as there are too many other places on my 'must see' list. I also have two young children (and a dog), so they keep me busy when I'm not in school. I love to read (but during term-time, it's mostly audio books) and play games - more board and less video! I didn't grow up in Scotland (let's see if you can figure out where I'm from the first time we meet...) but have been living here for almost as long as I've been teaching - and I've been teaching for a long time. I've also taught in Germany and I went to university in France. Over the years, I've taught lots of things, including Spanish, English (as a foreign language), Music, IT, PE, RE and Travel and Tourism - but French and German are my main subjects.

and Geography Teacher

I LOVE being a Guidance teacher and being able to help and support young people throughout their time at Bishopbriggs Academy. As a Geographer I love teaching about how we affect and are affected by the world in which we live.

What you will be learning about in S1...

In PSE we will learn about friendships, confidence building, relationships, internet safety, study skills, careers and many other topics that are important to your health and wellbeing.

About me... I have been a Guidance and Geography teacher at Bishopbriggs Academy for a long time – it is a fabulous career. I also help run the Duke of Edinburgh Scheme in school. I love walking and camping in the Scottish countryside – I especially love the island of Arran where my family come from and the Cairngorm Mountains. I am a HUGE dog lover.

Wellbeing/Nurture

I love English as it allows us to cover a wide variety of topics and themes. We can explore different countries, journey to alternative worlds and experience other people's viewpoints! Wellbeing offers a safe place where we can explore feelings and our reactions to various situations. It helps us to understand ourselves and others better @

What you will be learning about in S1...

In S1 English, you will explore the four main skills (reading, writing, talking and listening) through various engaging tasks throughout the year. As a class, you will explore different types of literature such as novels, short stories, poems, dramas and even films! You will also have the opportunity to try creative and persuasive writing.

About me...

I am a keen baker and cross-stitcher! My favourite sweet treats to bake are double chocolate cookies, cakes and bread. My weekends often involve a beach walk while listening to a podcast, before returning home to a delicious coffee, a slice of homemade cake and settling down with a novel or watching Netflix. I'm looking forward to meeting you all in person!

 $\stackrel{\wedge}{\boxtimes}$

☆

☆

First of all it's FUN!! But I also think FCS is one of the most important subjects because it teaches you practical skills for daily living, we all have to eat! But we also have to understand what to eat to make sure we stay healthy too.

Without FCS a lot of people would make the wrong choices.

What you will be learning about in S1...

In S1 you will learn lots of new practical and organisational skills (that's the fun bit!) you will also learn how to keep yourself and people who will be eating the food you make safe. You will learn how to make healthy choices and what can happen if you don't!

About me...

My two favourite things to do are going to music festivals and watching box sets! I have 4 children, a dog and 2 budgies at home to keep me busy! My favourite food is curry:)
