# DYW Weekly Bulletin!

Interested in an opportunity? See Miss Hendrie

## Growing Future Assets Competition

A great opportunity for any girl who is interested in a career in business. This competition will see you work in a team to pitch a company and win up to £200 each! A chance to develop research, communication, problem solving, analysis, numeracy and presentation skills whilst learning about business and economics, the environment and even international politics! Interested? See Miss Hendrie ASAP!

## BAE Systems

BAE Systems have now opened their online work experience programme to applications. The BAE Systems Naval Ships team design and build a full range of naval ships from offshore patrol vessels through to giant aircraft carriers. This is fantastic for anyone interested in engineering and needing experience for a personal statement. You even get accredited at the end! There are dates in September, October and November but will fill up fast so you must apply ASAP!

## MyWOW Ambassadors!

We are looking to appoint our newest S6 MyWOW Ambassadors! Your role would be promoting careers and the My World of Work website amongst pupils, staff and departments. This is a unique opportunity that very few schools offer to their S6. Applications are available by following the link on the SMHW announcement and must be in by Wednesday.

## Young Enterprise

Remember you can still apply to be involved in this year's Young Enterprise Team if you are in S6! This is a great opportunity to develop your skills and work as part of a team! Applications close Wednesday... see Mr Young for more info!

## More Opportunities...
