Skills Class Feedback

This year you undertook a new Skills for Learning, Life and Work class that was designed to prepare you for life after school. This class gave you the opportunity to learn and develop skills that might not always be taught during everyday lessons. If you have not already done so, please complete the Microsoft Form by scanning the QR code below to provide feedback about the lessons in order to help us to enhance the course for next year's S6.

🍀 Good Luck! 🍀

I would like to wish you all the best of luck with your exams and I look forward to seeing those of you who are returning in June.
