

6 September 2022

Senior Phase Information Evening

Dear Parent/Carer,

It is our intention to host a **Senior Phase Information Evening** for parents and carers of young people in S4 and S5. This Information Evening will take place in the Assembly Hall of the school on **Monday 12th September**, commencing at 6.30pm and should last no more than an hour.

We have always stressed the importance of parents and the school working in partnership to support our young people and we feel that this gives us a great opportunity to outline the challenges and expectations that S4 and S5 will bring. It will also be a wonderful opportunity to welcome parents and carers back into the school building following the Covid restrictions of the previous years.

During the course of the evening, we will cover the following topics:

Factors Which Impact Pupil Attainment
Key Dates
How to Interpret Monitoring + Tracking Information
Pupil Opportunities in the Senior Phase
Developing the Young Workforce and Alternative Pathways
The Role of our Careers Advisors
Supporting Young People

We hope you will be able to attend what we believe will be an important and informative meeting. We would appreciate if you could indicate via the Microsoft Form link below, if you intend on coming along. A non-attendance return would also be appreciated. **The form will be available until 8th September.** We will also post the link on Satchel.
