Please see Mrs Dawson for more info or support.

Grant Thornton Lunch & Learn Session

On the **25th of November** from **1-2pm** Grant Thornton are hosting a *Lunch and Learn* session to give you the opportunity to meet associates and senior leaders from across different service lines within the firm. The session will be delivered online and will allow you to find out more about the opportunities available. This is aimed at those interested in a Graduate Apprenticeship (where you work and earn money whilst going to uni to achieve a degree) in the following areas - Audit, Tax, CCS, Deals & Business Consulting, Advisory services.

If you would like to attend, please email Mrs Dawson to receive a link to the short application form and online access (ed027ldawson@glow.sch.uk).

BAE Systems Apprenticeships

Anyone interested in becoming an apprenticeship with the company is invited to attend a recruitment open evening being held at **West College Scotland Paisley campus** on **17th January 2023** or, **City of Glasgow Riverside campus** on **9th February 2023**. This is a great opportunity to speak with the early careers' teams around the roles available, meet current apprentices, meet with the staff from the colleges and see their facility as well as listen to talks on the wide range of available programmes.

These are FREE events but spaces fill up fast. Please keep checking the BAE Systems website to look out for the booking link. You can also let me know you are interested so that I can alert you if I receive word that the booking link has gone live!

Fancy a career in the BBC?

The BBC have a range of placements across the UK starting in **September 2023** in Journalism, Production, Business, Engineering and Technology. Follow [@BBCGETIN](https://www.instagram.com/BBCGETIN) on Instagram to stay up to date and scan the QR code for more info!

Women in Construction Taster Day
