Digital Platforms for Learning

Glow, Satchel & Teams

What is Digital Literacy?

Digital literacy is defined here as something that:

“encompasses the capabilities required for living, learning and working in a digital society. It includes the skills, knowledge, capabilities and attributes around the use of digital technology which enable individuals to develop to their full potential in relation to learning, life and work.

It encompasses the skills to use technology to engage in learning through managing information, communicating and collaborating, problem-solving and being creative, and the appropriate and responsible use of technology.

What Digital Platforms do we use to enhance learning?

Glow

Secure school email and a means of accessing all other tools.

Satchel: One

Online Diary & communication platform central to Bishopbriggs Academy.

Microsoft Teams

An extension of the classroom, digital resources available.

Youtube

Video platform, further help and support from departments

Glow Username – usually starts with ed027 followed by initial & surname and end with the year you joined the school

E.g. if Miss Phee joined in 2022 then Miss Phee's log in is: [ed027lphee22@glow.sch.uk](#)

Glow password –
[This can be easily reset if forgotten](#)

The Glow Launchpad:

The Launch pad is the homepage of Glow and contains tiles.

The tiles are very much like phone apps - you can search and pin whatever you need to your home screen.

The most used tiles are Mail, Satchel and Teams

If you don't see these you can easily search using the search bar.

What is Satchel:One?

Online Diary & communication platform

Class teachers post all homework, assessments, grades, announcements via Satchel to ensure pupils and parents know what is upcoming

Teachers link any relevant materials for pupils – allows ease of use and no longer a stress if they lose materials

Benefits of Satchel:One for Learning

Organisation: Pupils are encouraged to take responsibility for own learning, this tool allows pupils to plan their week effectively

Communication: Allows frequent communication between Teachers, Pupils and Parents throughout the year.

Grades are uploaded after assessments for parents to see pupils progress in between our Monitoring and Tracking periods (Reports)

Benefits of Satchel:One for Learning

Behaviour points can be seen by pupils and parents.

Accessing Satchel:One

Satchel can be accessed in two ways:

1. Logging into Glow and clicking on the tile
2. Download the free Satchel app to mobile

↳ The easiest to access point and recommended if you have a personal mobile phone.

Pupils, parents and staff each have their own log in information.

Downloading the Satchel:One App

To download the app:

- enter your app store
- search 'Satchel one'
- click download (for free!)

Available on Apple or Android

Logging in Satchel:One App - PARENTS

1. Search for your child's school (by name or postcode)
2. Tap Log in with a PIN or parent code
