Please inform senior pupils of the following opportunities and events. Any questions- feel free to see Miss Hendrie in F054

Several of you have signed up as interested in attending a presentation by a representative from Morgan Stanley which will focus on their Apprenticeship programmes. This will be for S5/6s who are interested in technology, accounting or business. If you have signed up, the presentation will take place on 26th November during period 3. You will be given more information about this closer to this date, however if you cannot make it please see Miss Hendrie ASAP. Also, if you did not sign up but are interested in attending please see Miss Hendrie before the end of the week.

WOW Ambassadors

Our visit will take place next week, therefore please attend a meeting at the start of lunch on Wednesday 6th November. It is important that you all make it and get further information

Skills Development Scotland Event

There are a group of S4, 5 and 6 pupils who will be attending a careers event at the SECC on Thursday 7th November. It is important you hand in your consent form and money by the end of the day on Wednesday to ensure you can attend.

There will be a short meeting at Wednesday interval to let you know the arrangements for Thursday- please ensure you attend this.

Work Experience

A reminder that if you are interested in getting work experience please see Miss Hendrie in F054. It is helpful if you can come along with an idea of the sector/industry you are interested in. Work experience can take some time to source and arrange and so if this is something you are interested in see Miss Hendrie sooner than later. Also, if you know someone who can offer you work experience

WORKIT

this can also be arranged but see

Miss Hendrie first!
